

Dear visitors about Preventing the infection of COVID-19

Thank you very much for planning your visit to Kozushima. Although the “Emergency Declaration” has been lifted, the spread of new coronavirus infectious diseases is still unpredictable, and the fragile medical infrastructure in Kozushima Village and the aging population are currently under development. If you plan to visit Japan during this period, please cooperate with the following items (guidelines).

i If you have unsuitable physical condition, before coming to the island, don't force yourself to visit. Please reschedule your travel to the island.

ii Please make sure to book your accommodation before coming to the island. Preventing the infection of COVID-19, please avoid to travel with a large number of people so that the guest rooms. We may ask about the customer's latest activity history and physical condition.

In addition, the metropolitan Takowan family campground is closed. No camping is allowed outside the campground.

iii During your stay, please check the body temperature, disinfect and wash your hands, frequently. Please be sure to prepare your own mask that will be used and wear it on during your travel.

iv If customer is suspected of having an infection such as being unwell, he/she will be treated at Kozushima Clinic. In some cases, you might refrain from going out and observe health, in the island. Please note that you will be responsible for the payment for staying. Depending on the symptom, you may go to the city hospital by an emergency helicopter.

v Please understand that the accommodation may ask you to have meals in the guest room or the dining room in the limited time.

Please understand that the accommodation may ask you to take a bath in the limited numbers and times, or just take a shower. Rental of towels and sleepwear has been stopped to prevent the spread of infectious diseases.

If you become infected after returning from the island, please be sure to contact the accommodation.

Thank you very much for understanding
